Technical skills

- C programming (Intermediate)
- Java Programming (Intermediate)
- DBMS (Beginner)
- HTML & CSS (Intermediate)

Certifications

- Java(Basic)-Hackerrank
- Problem Solving(Basic)-Hackerrank
- SQL(Basic)-Hackerrank
- CSS-Hackerrank
- C Programming, Java Programming, Data Structures, SQL-Skillrack

Area of Interest

- Web Developement
- Data Structures

Educational Qualification

- **BTech Information Technology**
  Karpagam College of Engineering
  Batch 2021-2025
  CGPA-8.16(Till 4th semester)

- **HSC**
  Literacy Mission Matric Higher Secondary School 2020-2021
  Percentage- 91.8%

- **SSLC**
  Literacy Mission Matric Higher Secondary School 2018-2019
  Percentage- 89.4%

Objective

A highly organized and motivated individual capable of time management and hard-working looking for a responsible position to gain practical knowledge.

Project

- **Student Project Management System**
  Developed using HTML, CSS, Javascript and Java. This web application is to serve as a reference tool for students and help them understand the intricacies of a project better.
- **Campus Guide**
  A project on campus guide developed using HTML, CSS, Javascript and Java. It helps in navigating a university or educational campus.

Internship

Software Gateway Solutions
Web Development intern - July 2023

Achievements

- **ELITE+SILVER** 🎖
  NPTEL Elite+Silver holder and certification in Data Structure and Algorithms using Java
- **ELITE** 🏅
  NPTEL Elite holder and certification in Introduction to Programming in C
- NPTEL certification in Java Programming

Co-Curricular Activities

- Participated in Kriya'23 at PSG College of Technology, Coimbatore.
- Participated in Code Venture and Presented paper on 3D Printing Technology at Sengunthar Engineering College, Erode.
- Presented paper on IOT in NETSE'22 at KPR Institute of Engineering and Technology, Coimbatore.

Coding Profiles

- Solved 300+ problems in Leetcode coding platform
- Solved 1400+ problems in SkillRack Coding Platform and earned certificates and badges
- Solved 100+ problems in Codechef coding platform

Extra-Curricular Activities

- Coordinator of Break the Query event in dhruva culturals fest
- Student Volunteer in Pongal celebration event and Technical Golu event at college campus.

Soft Skills

- Time Management
- Problem Solving
- Communication
- Team Work

Tools Known

- Eclipse
- MYSQL
- VS code
